Admiral Stansfield Turner
Director, Central Intelligence
Washington, D. C. 20505

Dear Admiral Turner:

I want to express my personal appreciation to you for your participation in our recent Conference. Your speech was the highlight. And the manner in which you fielded tough questions was most remarkable. I am certain that the standing ovation which you received, as well as the round of applause when you left, indicated dramatically the audience reaction to your well chosen words.

It was an honor for me to make your acquaintance, and I look forward to seeing you in the future.

With kind regards,

STAT
